

WAYS TO GET INVOLVED

CHILDREN'S ACTIVITY

Here's a great way to get kids involved. Give each child a plastic, flip-top M&M candy container. After they have eaten all the candy, challenge them to fill the container with quarters to be given to Calvary Home. Each container holds \$14 worth of quarters!

SUPPLY DRIVE

Collecting food, cleaning supplies, and household goods is a great project for individuals, church groups, businesses, or any group looking to get involved. *Please see list on the reverse side of this sheet.*

GIFT CARDS

Gift cards from major retailers and grocery stores (Wal-Mart, Bi-Lo) or VISA gift cards are a great way to support the children. House parents use these cards to purchase groceries and any supplies the children need.

CAMPUS

Groups are welcome to schedule a day or half day to spend on campus. From yard work and painting to repairs and construction, there is always something to be done. Groups may also spend time with the children by providing fun and educational activities such as games, Bible stories, crafts, or a cookout.

COTTAGES

Regular volunteers assist the house parents by doing activities such as laundry, cooking, cleaning, and helping the children with homework. *Interview, background check and medical exam required.*

MENTORS

Mentors spend regular, one-on-one time with a child and invest in his or her life through outings, family time, movies, and meals. *Interview, background check, and medical exam required.*

FINANCIAL SUPPORT

Calvary Home for Children relies on the generosity of individuals, churches, and groups for the vast majority of its funding. Your tax deductible contributions will be an investment in the future and will provide the children of Calvary Home with a home of their own.

About Calvary Home for Children

Calvary Home for Children is long-term residential facility for boys and girls. We exist to rescue children from abuse and neglect and to provide them with the help, hope, and home they so desperately need. We strive to give every child we encounter the best opportunity to reach his or her God-given potential.

Calvary Home is meeting a significant community need by providing stable and loving homes to children in crisis. We seek to create healthy environments that replicate the traditional Christian family structure. We work to keep siblings together.

Calvary Home for Children is a 501(c)3 non-profit organization and is fully licensed by the South Carolina Department of Social Services.
